**Mental Health Week – Let's connect:** Jacqueline from Place 2 be is planning lots of activities that will help us all learn how to make positive connections with others and how this can help us with our mental health and wellbeing. Please take a look at the poster sent with the email for further information and handy hints and tips for you at home too.

Place2Be have also partnered up with Taskmaster and during Mental Health week you can sign up to undertake fun tasks along with the daily treasure hunt. You may even make it onto the Wall of Fame and win a prize – see the attached poster for a link to sign up and further information.

**PSHE:** Parents/carers of children in years 1 to 6 have been emailed the PSHE lesson overview which outlines the learning that will take place within your child's class this half term. If you have any further questions regarding the content of your child's PSHE lessons, then please feel free to speak with your child's class teacher or the PSHE Lead, Miss Briggs. We are always more than happy to help.

#### School Reporters

Starting from Thursday 26<sup>th</sup> January Year 4 will start to go swimming every week on Thursday. Also on the last week they will swim in their pyjamas. This is really fun and something to look forward to! - HL

Year 6 have started a new way of planning in English by writing the name of the plot point, making a promise like alliteration and writing a sentence with the promise in it. We have written our own ending of Hansel and Gretel. Charlotte said: "I liked that we made our own plot points."

Unfortunately not one class managed to be in on time this week. Let's see if every class can do better when we return after half term! Children should be in school by 8.45am if you arrive after this time you are late!

Well done to Reception Nursery and Year 3, 4 and 5 who also achieved their class attendance target of 96% - fantastic!
