Science week: It has been an exciting week in school this week as the children have been enjoying science week live! Each class joined a live session through the NFU's website. Across school we learnt how to make wool, all about space, how forces work and also enjoyed a live farm experience!

Image That! Our EYFS children had an amazing time at 'Imagine That' this week where they had a guided journey through all four zones of Imagine That! Click on the picture if you want to take a look and you can see pictures of their day on our Facebook page.

Easter Hampers: Thank you so much for your generosity with donations today, we are sure to have some amazing hampers for you to win for Easter. Raffle tickets are £1 per ticket and are on sale now on The Evolve hub <https://www.myevolvehub.com/> you can get extra tickets when buying online, 6 tickets for £5 or 12 tickets for £10 so grab your winning ticket now!! You can also pop into school to get tickets at the office too but these are cash only or you can send some money in with your child. Tickets are available to wider family members also so please tell your friends and family who are welcome to buy some and have a chance at winning. Tickets bought online will be sent home with your child.

Parents Evening: We are looking forward to speaking with all of our parents next week, please make sure you have booked your appointment. Please remember to be on time for your appointment. If we are phoning you please watch out for the call and be available to answer.

We are fortunate to have Deborah Evason, our Early Help schools coordinator available in school on Wednesday 22nd March for any parents or carers who might want to discuss an early help support you may need. This could be financial advice, housing support, managing behaviour, relationship guidance or general family issues. Deborah has access to the many universal services that are available to families in Salford and she can help you access these. Deborah will be based in the school hall so please feel free to have a chat.

After School Clubs next term: After half term the clubs will change again. Clubs that are currently running will finish at the end of this term. If your child would like to attend a club after half term please complete the relevant survey on school spider. All the information was emailed to you yesterday. Booking closes on the 21st March at 9am. You will be notified by school spider to confirm if your child has a place. Here are what clubs we are running next term, please note that all clubs finish at 4pm and children must be collected unless they are in year 5 or 6 and already have consent to walk home.

Happy Mother's day to all of our Mothers, Grandma's, Nana's and all the special people who take care of us. I hope you let them know how much you appreciate them this Sunday!

If in a school year your child is late every day....	...your child would have lost approximately.....	...or they will potentially miss...
5 minutes	3.5 days from school	20 lessons
10 minutes	7 days from school	41 lessons
15 minutes	10 days from school	55 lessons
20 minutes	14.5 days from school	82 lessons
30 minutes	22 days from school	123 lessons

Unfortunately we didn't have any classes who arrived on time every day. As you can see above, missing just 5 minutes of class each day means your child has missed the equivalent of 20 lessons across the school year. Children should be in school by 8.45am if you arrive after this time you are late!

Well done to Year 1 and Year 2 achieved their class attendance target again of 96% - fantastic!

Punctuality and Attendance

Please remember school starts at **8:45am** – Doors will be open from 8.35am. Children arriving after 8.55am must enter through the school office and be signed in.

Last week's attendance – Our School target and individual pupil target is 96%
