Chester Zoo: the children in years 1 to 6 had an amazing day at the zoo this week. We hope you have enjoyed the pictures on Facebook.

**Facebook:** Please check out our Facebook page and follow us so you can see all of the activities happening in school. Don't forget to like our posts too!

☆

School Photographs: Don't forget to order your photographs – there are some brilliant value for money packs that could be used as Christmas gifts or simply a memento for yourself. You simply scan the QR code on the slip your child brought home which will take you to the website to order. If you don't have this we can print off another copy for you. Parents have until 10th November to place their orders and qualify for free delivery to school, the photos will be delivered two weeks later so plenty of time for Christmas!

#### After half term......

**Pumpkin carving competition:** We can't wait to see your creations after half term. Please bring in your carved pumpkin to school on Tuesday 31st October – There will be a winner from each class who will receive a spooktacular prize!!!

KS2 Halloween disco: We are looking forward to seeing everyone in their fancy dress costumes and seeing some groovy moves on the dancefloor. Don't forget to buy your ticket and order your meal deal!

Please take a look at the dates below for further events and make a note in your diaries.

Online Safety: We have some helpful advice below about Among Us and we will share different supportive advice each week in the newsletter.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.
