

It's been another busy week here at North Walkden. Year 5 enjoyed a busy family time workshop earlier this week and today have been further building their skills and confidence at Salford Water Centre for the final of their three full day sessions. The children have absolutely loved the experience. Year 2 have enjoyed a visit to St Johns church to learn all about 'Our Wonderful Church' and have also been learning all about Knights and Castles with Altru Drama theatre to support their curriculum subjects. Year 1 have also had the opportunity to explore traditional tales with Altru drama sessions, bringing their learning to life through drama.

We have lots more planned for next week so keep your eye on the dairy dates below.

Relationship and Sex Education: Thank you for those parents who attended the parent information session this week. The information regarding the sessions that start next week was emailed out again to you this week.

The deadline for this survey is June 24th.

Transition to High School - Support for parents: There is a wide range of support out there for parents - please find some listed below and information on how to access it.

For parents of children moving up to a new school: Moving up and changing school is a big change for children and parents or caregivers. It's a new stage of growing independence and separation. Fears and worries are normal as well as excitement, as with each stage of childhood development.

- Video resources regarding transition are available here: <u>inourplace | Solihull Approach Moving up</u>
- Specialist course available: Moving up to secondary school for children with additional needs <u>Online</u> <u>Learning</u>

FREE Parenting Sessions offered to Salford families: Information below regarding the sessions available, there is a link or phone number at the bottom for parents to request a place.

Triple P Discussion Group: Hassle-free shopping with children (0-12) – 16.6.25 10am-12pm at Winton Family Hub.

This discussion topic uses shopping trips as an example of one of the most common times parents have to deal with difficult behaviour in public. Positive parenting strategies are discussed as step-by-step suggestions for preventing problems and teaching children how to behave on shopping trips. Parents develop individualised plans to manage problem behaviour during their own shopping trips and are encouraged to transfer new parenting strategies to other potentially difficult community situations.

Triple P Discussion Group: Building teenagers' survival skills – 19.6.25 10am-12pm at Langworthy Family Hub.

This discussion topic explores why teenagers sometimes make risky decisions and how they can learn to keep themselves safe while gradually developing independence. Parents are introduced to positive parenting strategies to help their teen plan for situations which may potentially put their health or wellbeing at risk.

TRIPLE P SEMINAR: Helping your child reach their potential (0-12 SEND) – online via MS Teams - 25.6.25 1.15-2:45pm

Practitioners show parents how they can use positive parenting principles to promote their child's development by teaching them new skills and behaviours:

- Choosing a skill to teach
- Breaking the skill into steps
- Choosing rewards

Triple P Discussion Group: Reducing family conflict (teens) – 26.6.25 10am-12pm at Langworthy Family Hub.

Parents share some of their experiences of conflict with their teenager and discuss why sometimes this occurs. Positive parenting strategies are introduced to help parents teach their teens how to get along with other family members and resolve problems. Ways to manage times when conflict affects the whole family are also discussed.

Families at a universal level can request universal sessions via the relationships portal: Parenting Online Enquiry (salford.gov.uk) or via 0161 686 7229.
