

NORTH WALKDEN PRIMARY SCHOOL

————— 'Reach for the Stars' —————

- The Early Years Foundation Stage Framework is divided up into 7 areas of learning.
 - 3 of these areas are called **prime areas**.
 - 4 of these areas are called **specific areas**.

Prime areas			
Communication and language development		Personal, social and emotional development	Physical development
Specific areas			
Literacy	Mathematics	Understand the world	Expressive arts and design

In order to achieve a good level of development (GLD) at the end of reception, the children need to achieve the early learning goals (ELG) in all three prime areas as well as the ELGS for literacy and maths.

This is a Long Term Plan outlines progression of skills, knowledge and vocabulary for each half term. The document has been created using Development Matters and knowledge of Birth to 5 documents.

Characteristics of Effective Learning	<p>Playing and exploring: - Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>
Over Arching Principles	<p>Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p> <p><i>PLAY: At North Walkden Primary, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS setting has an underlying ethos of 'Learning through play' PLAY is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults within the EYFS Team. We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.</i></p>

Our EYFS Curriculum Goals

<p>To become a</p> <p>Confident Communicator</p> <p>who can listen carefully in different situations, hold a conversation with friends and adults, ask relevant questions and use new vocabulary to explain ideas and feelings.</p>	<p>To become an</p> <p>Independent Individual</p> <p>who can follow the school rules, set simple goals and persevere to achieve them, select resources, manage their own personal needs and know how to stay fit and healthy.</p>	<p>To become a</p> <p>Fantastic Friend</p> <p>who can be kind, caring and helpful, show empathy and respect to others, work and play co-operatively whilst considering others' ideas and feelings.</p>	<p>To become an</p> <p>Amazing Athlete</p> <p>who can show strength, balance and co-ordination when playing, move confidently and safely in a variety of different ways, use a range of equipment.</p>
<p>To become a</p> <p>Talented Tool User</p> <p>who can hold a pencil effectively, use a range of tools (for example scissors, cutlery, paintbrushes, tweezers, hammer, screwdrivers) safely and with confidence.</p>	<p>To become a</p> <p>Brilliant Bookworm</p> <p>who can show a love for reading, use new vocabulary to talk about what they have read or has been read to them, read words and simple sentences (using single sounds and digraphs they have learnt).</p>	<p>To become a</p> <p>Wow Writer</p> <p>who can write letters that are formed correctly, write words and simple sentences (using single sounds and digraphs they have learnt) that can be read by others.</p>	<p>To become a</p> <p>Master of Maths</p> <p>who can show a deep understanding of numbers to 10, recognise patterns within the number system, subitise, compare quantities and recall number bonds to 5.</p>
<p>To become an</p> <p>Exceptional Explorer</p> <p>who can show curiosity about the world around them, understand how to read and draw a simple map, understand some differences between times and places.</p>	<p>To become a</p> <p>Compassionate Citizen</p> <p>who can help to look after their community and care for the environment know some reasons why Salford is special, have an awareness of other people's cultures and beliefs.</p>	<p>To become a</p> <p>Proud Performer</p> <p>who can perform a song, poem or dance to an audience, retell stories with expression and confidence, play a range of percussion instruments correctly and with good rhythm.</p>	<p>To become a</p> <p>Dynamic Designer</p> <p>who can choose and safely use the resources they need to make their creations, talk about what they have made and how they have made it.</p>

Understanding the World Nursery - Long Term Plan 2025- 2026

Statutory Guidance from the EYFS Framework for Understanding the World:

Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children’s vocabulary will support later reading comprehension.

	<u>Autumn 1</u>	<u>Autumn 2</u>	<u>Spring 1</u>	<u>Spring 2</u>	<u>Summer 1</u>	<u>Summer 2</u>
Development of Past and Present Intent Vocabulary Implementation	Children using words 'now' and 'next'. Children talking about their family, who they live with and any pets. Now, next, family, family members names, mum, dad, brother, sister, dog, cat, rabbit, pets, Children playing discussion games where they take it in turns to talk about their family e.g. roll a ball and then whoever has the ball says who is in their house, adults promoting children to talk about their home and home life.	Children talking about their past life experiences e.g. birthdays, Christmas. Children using the words 'then' 'now' 'next' 'before'. Past, before, events, now, then, before, next. Adults modelling these terms correctly and rephrasing children's words so they are too using them correctly. Adults discussing with children their past experiences when celebrating them in nursery (e.g. Christmas time).	Children understanding the terms 'old' and 'new' and recognising old and new objects e.g. cars, shops, photos New, old, past, present, now, different, same, rusty, black and white, modern. Children going on a local walk and looking at old a new – houses, shops, cars, statues or memorials. Children looking at photos and objects or books from the past.	Children commenting on their own past experiences e.g. Easter. Children showing curiosity about objects from the past. Past, happens, events, experiences, Easter, egg hunt, same, different, old, new. Children discussing how they have celebrated Easter in the past. Children looking at photos and objects or books from the past.	Children confidently talking about who they are and who they live with, Children asking questions to family members about when they were young. Family, live with, family tree, old, new, past, questions, happened. Children discussing with adults during activities who they live with and who the adults are to them. Children exploring a family tree. Children having the opportunity to ask parents and grandparents about their lives in the past.	Children beginning to understand how to sequence two events. Children sequencing family members e.g. baby, mum, grandma. Sequence, first, last, then, before, family, names, family tree. Children being taught how to 'sequence' using two familiar events – either in the present day or from across the year. Children continuing with their work around families and family trees.
Development of People, Culture and Communities Intent Vocabulary Implementation	Children talking about their families. Children talking about who is special to them and why. Children naming their family members. Family, family names, special. Adults prompting children to talk about their families and homes. Adults asking children at drop off and pick up times who it	Children talking about how we look after our friends and families. Children talking about their homes and what they have inside their homes. Children talking about the celebration of Christmas. Friends, family, care, look after, home, bedroom, kitchen, living room, bathroom,	Children recognising familiar signs, shops in my environment and local environment. I can talk about the transport used in my community. I can talk about the similarities and differences between celebrations I know and celebrations in other countries e.g. Christmas and CNY.	Children speaking positively about differences between people and ways of life. Children showing an interest in people with a range of occupations. Differences, same, similar, jobs, firefighter, police officer, shop worker, postal worker, driver, doctor, nurse Children having visits	Children developing an idea of 'belonging'. Children beginning to understand what the 'wider world' is and how we all play a part and get along with one another. Belonging, groups, own ideas, the world, other countries, other people. Getting along, patience, tolerance. Adults introducing the idea of British Values	Children using the correct vocabulary to name different features of their community. Children know there are other countries than England and that they look different to ours. Names of the features in the environment, countries, same, different, hot, cold. Children exploring the local environment,

	was/will be today.	<p>Christmas.</p> <p>Adults encouraging children to look after their friends and family if they want to e.g. get them a tissue, adults discussing with children their homes and what is inside their homes, children exploring a range of celebrations at nursery including Christmas.</p>	<p>Shop, memorial, stop sign, traffic light, transport, community, local areas, same, different, celebrate, Chinese new year, Christmas.</p> <p>Adults promoting the celebration of a range of festivals around the world, children exploring the local environment and looking at familiar shops/signs etc.</p>	<p>from a range of occupations and reading stories on a range of occupations too, children listening to stories that celebrate diversity and equality and encouraged and supported to do so in nursery too.</p>	<p>through activities, discussions and stories. Children discussing patience and tolerance and adults supporting children to be tolerant and patient.</p>	<p>drawing maps, creating small worlds versions of their local area, children learning about other countries around the world and comparing them to the country we live in.</p>
<p>Development of the Natural world</p> <p>Intent</p> <p>Vocabulary</p> <p>Implementation</p>	<p>Children showing respect and care for their environment. Children exploring their world and environment through their senses.</p> <p>Respect care, look after, home, school, nursery, touch, see, feel, smell, hear, taste.</p> <p>Adults modelling respect and care and encouraging children to do this too, Adults talking to children about their home environment and school environment, adults setting up activities for children to explore.</p>	<p>Children exploring the changing weather and seasons, Children continuing to explore using their senses. Children naming parts of the body. Children showing more of an interest in the world.</p> <p>Weather, sunny, raining, snowing, ice, autumn, winter, summer, spring, body part names, explore.</p> <p>Stories, discussions and activities based on the weather and seasons, adults setting up activities for children to explore, books on the body, discussions on the world, adults basing activities on children's interests.</p>	<p>Children understanding how and why we respect and care for animals. Children exploring a range of materials and natural objects.</p> <p>Respect, care, look after, materials, man-made, natural, nature.</p> <p>Adults teaching children about nature, the world and animals and how and why we care for them, Adults setting up activities to explore materials and their functions.</p>	<p>Children exploring the changing weather and seasons (Spring), Children learning about new life and plants based around Spring time</p> <p>Weather, sunny, raining, snowing, ice, autumn, winter, summer, spring, Stories, discussions and activities based on the weather and seasons, adults setting up activities for children to explore, spring based stories, activities, looking at lambs, chicks, tadpoles,</p>	<p>Children growing plants from seeds and caring for them, Children exploring how these plants grow and change over time.</p> <p>Seeds, soil, water, care, look after, grow, Adults supporting children to plant their own seeds and grow them, Children re-visiting their plants to see how they have grown.</p>	<p>Children exploring the changing weather and seasons (Summer), Children noticing changes such as ice melting in the sun and offering a reason why.</p> <p>Weather, sunny, raining, snowing, ice, autumn, winter, summer, spring, changes, why</p> <p>Stories, discussions and activities based on the weather and seasons, Adults setting up activities where 'changes' and 'processes' are involves such as ice melting or colour changing experiments.</p>

Mathematics Nursery - Long Term Plan 2025-2026

Statutory Guidance from the EYFS Framework for Mathematics:

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, ‘have a go’, talk to adults and peers about what they notice and not be afraid to make mistakes.

Literacy Nursery - Long Term Plan 2025-2026

Statutory Guidance from the EYFS Framework for Literacy

It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

Physical Development Nursery - Long Term Plan

Statutory Guidance from the EYFS Framework for Physical Development:

Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

Communication and Language Nursery - Long Term Plan

Statutory Guidance from the EYFS Framework for Communication and Language: The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.

Expressive Arts and Design the World Nursery - Long Term Plan

Statutory Guidance from the EYFS Framework:

The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

Personal, Social and Emotional Development **Nursery** - Long Term Plan

Statutory Guidance from the EYFS Framework for PSED:

Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.
