### Headteacher's Weekly Awards - WELL DONE TO OUR STARS OF THE WEEK

All the children get a special mention in the Achievement assembly on Friday and will bring home a certificate detailing the reason for their award.

We have had another busy and exciting week, we all looked very smart for our school photographs, some children have visited Church and others have been out on an autumn walk. We've had a special school meal day along with non-uniform, extra play and a class assembly as well!!! At the same time we have been continuing to learn new things whilst putting into practice what we already know in our lessons. Take a look at our Facebook page for a glimpse into our school day.

### School Reporters

Hello, today we are going to be talking about all the jobs in year 6. I will be talking about: reading buddies, team captain, hall monitors and sports ambassadors. Reading buddies will be helping the infants to read fluently, team captains will count the team points every Friday and whoever gets the most points in total each term wins, hall monitors will clean the dinner hall and help out the kitchen staff and the sports ambassadors help out at sports day and with PE.-JB

I will be talking about the other ones: computer prefect, class prefect, reading ambassadors and milk and bagels. The computer prefect makes sure the computers and I-pads are charged properly charged, the class prefects help around all the classes individually, the reading ambassadors help with the books in the classes library and finally, the milk and bagel monitors give the milk and bagels to all the classes. -HL

Many thanks Harrison and Jessica.
